Advanced Knee Course

13-11-2025
07:45-17:30 uur

The course

This course is characterized by accessible knowledge transfer, with ample opportunity for sharing experiences and discussing challenges in diagnostics, work-up and during the surgical procedure. In addition, there is significant hands-on time, as well as space for discussion and case studies with an experienced faculty.

Target audience

This course is intended for experienced orthopedic surgeons and knee fellows.

Location

Radboud UMC
Geert Grooteplein Zuid 10,
6525 GA Nijmegen

Faculty

Christoph Kittl
Duncan Meuffels
Tony van Tienen
Reinoud Brouwer
Romain Seil
Roy Hoogeslag
